**REFLECTIONS
FROM
PRINCIPAL'S
DESK**

Reflections from Principal's Desk

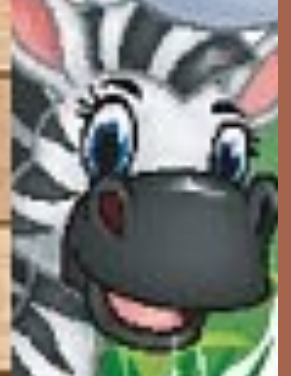

“The function of education is to teach one to think intensively and to think critically. Intelligence plus character that is the goal of true education”.

We constantly work to develop a sense of discipline and good moral character, where all students are expected to conform to high disciplinary standards and to develop values of tolerance, fair play, compassion, integrity, and fortitude. We are committed to work collaboratively with parents to nurture an individual who possesses love for nation, society, community and family values. We encourage children to develop in their special field of interest so as to best showcase their particular type of talent and grow to their full potential, and constantly groom them to become competent individuals to bear responsibility in all walks of life. With this perspective, in the month of July Pre-Primary department organized various activities like Kargil Vijay Diwas, International Tiger Day, Quiz, Van Mahotsav, Experiential Learning, Exhibition where children participated enthusiastically and performed stupendously. It is your constant belief in our children and our institution that inspires us to shape their young minds with Anushasan Shram Aatmabal, which is the motto of our school, proving their transformation into good human beings. Thanks to the guiding force and the torch bearers, our teachers and parents for being the best Gurus, who show the right direction to these students and encourage them to give their best. I wish that students reach the pinnacle of success and make their parents, teachers and the institution feel proud of them.

Thanks & Regards
Mrs. Jaishree Nawani
Principal

CELEBRATIONS

A special assembly by PP-Lavender was conducted to commemorate and celebrate the sincere and unmatched efforts of the Indian Army in the form of Kargil Vijay Diwas. The students enthralled the audience with their dance performance. The assembly showcased various TV Channels, where the students and parents presented different dance & song performances and reality show. A sense of patriotism was enthused in our students. The closure speech by our Respected Principal Mrs. Jaishree Nawani, our School Director Mrs. Rajee N. Kumar, Pre-Primary Academic Coordinator Mrs. Satinder Kaur and Parent Guest comprised of paying homage to the martyrs of this war and saluting them for protecting our nation.

Happy Van Mahotsav

When we plant a tree, We plant a life. Van Mahotsav is a tree-planting festival which is celebrated every year by planting millions of trees. The students of the Pre-Primary Department celebrated Van Mahotsav. Students presented wonderful rhymes and quotation on save earth. They also shared beautiful messages to save the environment. The day was thoroughly enjoyed by them. Facilitators also encouraged the students to water the plants at home. They learnt the significance of the festival and how mother earth provides us with its bounty gifts .

World Chocolate Day

HAPPY
Friendship Day

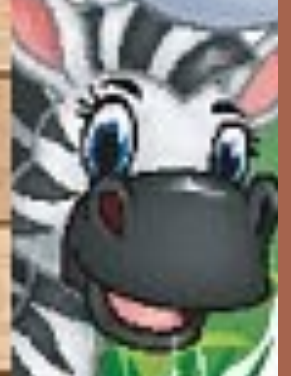

COMPETITIONS

RHYME RECITATION

Beauty is the realm of poetry. The students of Pre-Primary enthusiastically participated in the competition as they got an opportunity to exhibit their talent and confidence. The competition inspired the young poets to come forward and recite rhymes. The students came up with different poems on theme: Save Earth and recited them with great fondness and zeal for their mother Earth. They enjoyed the perfection of expression, thoughts, emotions, rhythm and music of words.

MARVELLOUS ME

As it is rightly said, "Introducing oneself to the world is an art", Marvellous Me Competition for Pre School students was organized. The enthusiastic participants performed with full ardour and fervour. The eye-catching props, puppets or costume added icing to the cake. The activity inspired the children to come forward and speak with confidence. The judges were thrilled to watch the performances of the students talking about their favourite food, clothes, hobbies and interests. A confident mind leads one to great success even when the tides are against them. Children were excited and felt more confident when they introduced themselves to an audience and the judges. The learning outcome was the development of cognitive skills, linguistic skills, creative skills, social skills, imaginative and thinking skills

**PARENT'S
FEEDBACK**

I really appreciate your dedication to teaching and care you take in ensuring each student is able to succeed. You have impressive curriculum and teaching methods, very Well planned worksheets and activities so that individual child can grow.

Both of my kids are a part of NK BGS, and I am so pleased with how my children have progressed thanks to entire management Team and supporting staff for your endless effort.

*Thanks & Regards,
Mrs. Sarla Jadli
M/O Aadya Jadli
Class- P.S Marigold*

Children develop a strong foundation in social, pre-academic, and general life skills in preschool, which will help them to succeed in school and beyond. N.K Global Bagrodia school is one of the renowned schools of Dwarka. All the teachers are very hardworking & personally take care of each kid to enhance their writings skills & overall academic development. The best part is that they organise many curricular activities which helps in grooming the child performances. Through which our kids will start getting more exposure and they will become more interactive. All the fundamental basic concepts of academics are designed properly. I also like that the school focuses on recycling the waste materials in order to protect our environment. In this way, our kids are inculcating good habits to save our earth. Our kids are also learning new skills in all the aspects. All the teachers & staff is really cooperative and well mannered. So, if you looking for a good school to sculpture your kids behaviour then will highly recommend this School for your child's development. Thank you so much for taking care of our kids with full dedication & also maintaining a harmonious relation with the parents.

*Thanks & Regards,
Mrs. Khushboo Jain
M/O Mehak Jain
Class- P.S Jasmine*

Teachers are one of the most important beings on Earth as they help to mould the personality of students and guide them in the right direction for their future. I am very happy to send my child to N.K. Bagrodia Global School. School's policies are designed with the aim to help teachers and students to make the learning most effective. Teaching staff are using a wide range of collaboration tools and engagement methods that promote "inclusion, personalization and intelligence". They maintain regular communication about the child's progress and class activities. As a parent, it is very good to see that my ward is getting right kind of education, involving in various extra curricular activities like taek-won-do, music, dance and many others.

We would like to thank the school management, teachers and staff for providing such a good environment to little tulips to groom themselves for future.

Thanks & Regards,

Mrs. Santhoshkumari Rayavarapu

Class- P.P Lavender

Happy to Share our feedback for NK Bhagrodia Global school sector 17, Dwarka. This is our second year and we are satisfied with the way, school is carrying my Kid on learning path. Support of the teachers along with the classes and regular exchange of different activities helps children to learn new things in easy and effective way. Here I want to give a big thanks to class teacher she is doing great job to make things easy to learn by my kid. The way she interacts with children is impressive and effective, which is required to bound the interest of kids. Looking forward to have more wonderful years of my kid with NKBGS filled with knowledge and learning.

Thanks & Regards,

Mrs. Rashmi
