PRINCIPAL'S MESSAGE

'Optimism is the faith that leads to achievement. Nothing can be done without hope and confidence.'

From happiness to sorrow, from success to failure, from seeing to being, I believe that our thoughts play a vital role in defining our perception and determining our action. As the father of the nation says, "A man is but the product of his thoughts what he thinks, he becomes".

Every change comes with a set of challenges and an opportunity for new learning. Seize every opportunity to convert the adversities into opportunities. If you adopt a positive attitude towards change, you will see the magic that it does on you and soon you would have changed these little grains of sand into beautiful shiny pearls.

This academic year, let us together agree to keep our thoughts good and make it strong not just to cleanse self but to charge this cosmos. When we generate positive energy through our thoughts creating a shield that will protect us, letting peace and happiness prevail in this world. I wish all of you a happy and a successful academic year 2023-24.

Ms Jaishree Nawani
Principal
NKBGS

Welcome craft (I-III)

“Learning is a treasure that will follow its owner everywhere.”

Learning Objectives: Students will enhance their fine motor skills
To make them familiar with their new class.

Learning Outcomes: Students enhanced their artistic skills.

Welcome craft activities were conducted for the students of class I-III. In this activity they made headgears, flowers, caterpillar, ice-cream etc.

Students enjoyed first day of this session.

Welcome Craft
II C

Cyber Jagrukta Diwas (I-III)

Cyber security is much more than a matter of IT.

Date- 5/4/23

Activity- Video shown

Learning Objectives

1. To raise awareness about cybercrime and to deal with it.
2. To develop good digital habits among students.

Learning Outcome

1. Students were made aware of cyber-crimes.
2. Students learnt good digital habits.

CYBER JAGRUKTA DIWAS CLASS III D

World Health Day

Date: 6.4.23

“Health is Wealth”.

Every educated and aware person knows that health should be the priority in their life. Maintaining healthy habits leads to a better lifestyle. To promote health worldwide, a slogan writing activity was organised for class IV and V in our school in which students showcased their creativity and had spread awareness through their slogans.

World Heritage Day

‘Our rich and varied cultural heritage has a profound power to help build our nation ’

Date- 18th April, 2023

Class: 1-5

Learning objectives: The purpose of the day is to encourage local communities and individuals to recognize the importance of cultural heritage in their lives. It also focuses on awareness of cultural diversity and the vulnerability of cultural heritage to conservation activities.

Learning outcomes: The students were made aware about the importance of protecting cultural heritage and to celebrate the diversity of the world's heritage. The celebration of such a big day helped in development of sensitivity towards the cultural heritage of our nation.

Show & Tell

"Creativity can be described as letting go of certainties"

Date- 6/4/23

Learning Objectives: 1.To develop speaking and social skills and boost self-confidence.

Learning Outcome: 1. Students became friendly with classmates
2. Students become language smart and shared their experiences and imagination.

Show and tell activity

SHOW AND TELL ACTIVITY

Class 3A show and tell activity

Self-Composed Poetry Recitation

Date: 11.4.23

“कविता मनुष्य के मनोवेगों को उत्तेजित कर भावों को प्रस्फुटित करने वाली एक ऐसी छंदों बद्ध रचना है, जो मनुष्य की भावनाओं को उद्वेलित करके मानव जीवन को नवीन गति प्रदान करती है।”

भारतीय साहित्य में कवि, काव्य और कविता शब्दों का प्रयोग अति प्राचीन काल से हो रहा है।

ऋग्वेद में इन दोनों का प्रयोग क्रमशः ईश्वर एवं संसार के लिए हुआ है—

“कविर्मनीषी परिभूः स्वयंभूः।”

अर्थात् यह विश्व उसी की रचना है। यदि ईश्वर कवि है तो विश्व उसका काव्य है— *‘पश्य देवस्य काव्यम्’।

कक्षा 4-5 के विद्यालयों ने ईश्वर का साक्षात्कार करते हुए स्वरचित कविताओं का प्रदर्शन अत्यंत सुंदर एवं प्रभावशाली ढंग से किया।

Health and Wellness

“Take care of your body. It’s the only place you have to live.”

Classes – I & II

Date: 12th April, 2023

Learning Objective: 1. In order to encourage healthy eating habit, Sprouts and Corn Chaat making activity was organized in Grade -I & II. The Students brought boiled sprouts, corns, chopped onion, cucumber and tomato. The Children prepared the same by themselves. They all enjoyed making the chaat and relished it altogether.

Learning Outcomes: Students learnt the importance of Healthy food and enhanced their social skills.

POSTER MAKING: NO POVERTY

Date: 12.4.23

'Poverty is the worst form of violence.'

Eradicating extreme poverty for all people everywhere by 2030 is a pivotal goal of the 2030 Agenda for Sustainable Development.

To bring out the creative expression of the students and also to gauge their awareness quotient, Poster Making Activity was organized for Class IV and V. The theme taken up is No Poverty (SDG). The students displayed their artistic skills through an array of posters on the given topic.

Poster Making: Gender Equality

DATE: 13.4.23

Gender equality is a human right, but our world faces a persistent gap in access to opportunities and decision-making power for women.

To foster women equality in our young generation, our school has organised poster making activity in which students prepared enriching eye-catching and informative ideas and presented their thoughts through posters in a well-designed manner.

Baisakhi Craft

“Come, rejoice and celebrate this day of Baisakhi with love and excitement.”

DATE: 15-04-23

LEARNING OBJECTIVE: 1.It will enhance their creative, artistic skills and speaking skills.

2. It will develop their understanding about harvest festivals.

LEARNING OUTCOME: 1.Students will be able to know the importance of the harvesting period in farmers' lives.

They will be able to develop an understanding after doing respective activities that Baisakhi is not just the start of harvest season but also tribute to our brave martyrs.

CLASS 1C VAISAKHI CRAFT

Show And Tell

CLASS - I-II

"You can speak well if your tongue can deliver the message of your heart."

Date – 18th April'2023

Topic – My Favourite Toy

- Learning Objectives:**
1. To boost confidence among the students.
 2. To improve their communication skills.
 3. To enhance vocabulary and develop critical thinking.

Learning outcomes: 1. Students are able to speak confidently without any hesitation.

2. Students of Class 1 talked about their favourite toy.

PIC·COLLAGE

SHOW AND TELL ACTIVITY CLASS 1A

International Dance Day

CLASS I- III

“Dancing is the poetry of the foot.”

Date – 28-04-23

Activities – Solo Dance Competition

Learning objectives-1. It is celebrated to promote dance in all its forms across the world

2. To spread awareness about the value of dance in all its forms.

Learning outcomes– Students learnt different types of dance form through performing and watching different dances. They enjoyed the activity and participated enthusiastically.

Literary Week Activities

BOOK MARK, BOOK COVER ACTIVITY & SPELLING QUIZ

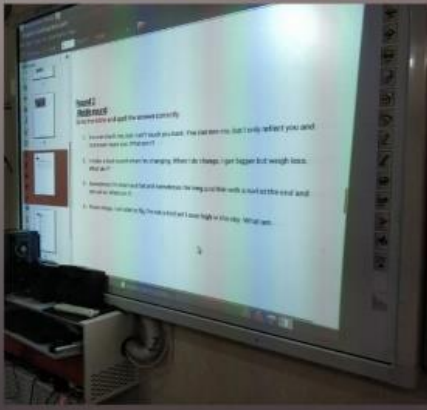

A book is a dream you hold in your hands.

For the observance of Literacy week, the students of Class IV and V prepared bookmarks and book covers to keep a track of reading progress in a book and to draw the attention of potential readers towards the book.

The students of Class IV and V also participated in Spelling Quiz which included several rounds of picture based questions, riddles and guessing the correct spelling.

The students enhanced their creativity and teamwork skills with these activities.

Dhara Utsav & Literary Fest

Date: 27.4.23

Let's collaborate together on a journey filled with nuggets of amazement, satisfaction, appreciation, and understanding.

Dhara Utsav is an initiative to celebrate the Earth we really care about. The Literary Fest integrating with Dhara Utsav celebrates the creative spirit of the students and commemorates the literary diversity it offers whilst giving a vent to their talent. With this in mind, N.K. BAGRODIA GLOBAL SCHOOL hosted DHARA UTSAV & LITERARY FEST on Thursday, April 27, 2023- a single platform for students to showcase their varied talents. The combination of Dhara Utsav and Literary Fest brings together the best of artists and orators. Students got an opportunity to display their skills, interact and learn with peers from other institutions.

EARTH DAY

Earth Day (22nd April 2023) is a day to not only celebrate our love of the natural world but to acknowledge our duty to take care of and protect it.

The 4 Rs of environment- Reducing, Reusing, Recycling and Recovering remind us of the importance of reducing our waste production on a daily basis and thus avoiding our contribution to the piles of materials found on landfill sites.

The following activities were conducted for class IV-V to observe Earth Day on 21st April 2023.

Class IV- DIY Photo frame by recycling waste materials like cardboard, used ribbons, lace, buttons, etc.

Class V- DIY pen stand by recycling waste materials like cans, small cardboard boxes, newspapers, decorative materials, etc.

Students understood the importance of recycling and displayed their best creativity to make this day a success.

WORLD MALARIA DAY

World Malaria Day takes place on 25th April and is commemorated annually to highlight the burden of disease globally and the progress made to date by the global community towards malaria control.

The day was observed as an opportunity for students to come together and be aware about different ways of eliminating malaria, which is a preventable and treatable disease.

Different activities were done with students on WORLD MALARIA DAY

- 1) Quiz based on video was shown and discussed with students in class.
- 2) Pamphlet Making Activity

Students had prepared different informative pamphlets on prevention of Malaria. Students had enjoyed the activities and took active participation in discussion and quiz

SPECIAL ASSEMBLY

BAISAKHI, JALLIANWALA BAGH & AMBEDKAR JAYANTI

Date: 13.4.23

'Harvest time is a time of joy.'

'The weak makes others feel inferior, the strong makes others feel superior.'

On the occasion of Baisakhi, Jallianwala Bagh Day and Ambedkar Jayanti, the students of Aristotle House presented an array of events during the special assembly.

The event commenced by taking the blessings of the almighty followed by the news headlines. The students showcased their talent through dramatization, dance, speech and chorus singing which added life to the event and made everyone swoon into the celebration.

Eid- Ul Fitr & Earth Day

Eid is a day of sharing what we have and caring for others.

21st April was a mix of celebration to India's Diversity (Eid Celebration) and pondering upon the fate of our planet on Earth Day. This assembly was a resolve act on saving our planet and marking the festivities of Eid.

INTER HOUSE MONO ACTING COMPETITION

“One individual may die for an idea, but that idea will, after his death, incarnate itself in a thousand lives”

Theme-Jallianwala Bagh Massacre

On 13 April in 1919, a large but peaceful crowd had gathered at the Jallianwala Bagh in Amritsar to protest against the Rowlatt Act and arrest of two pro-independence activists and also celebrate the harvest festival of Baisakhi. In response to the public gathering, acting Brigadier-General Reginald Dyer surrounded the protesters with his soldiers and then ordered them to open fire at them.

For the remembrance of this day. A competition of Mono Acting Competition was conducted for class III - V.

N.K. Bagrodia Global School
Jallianwala Bagh Day

INTERNATIONAL DANCE COMPETITION

Dance is an art form which helps in expressing the emotion of life and relaxes the mind, body and soul. International Dance Day is celebrated every year on April 29 throughout the world to pay tribute to this distinctive form of performing arts.

This year our school celebrated the day with great zeal and fervor with students of Grades IV and V on April, 28, 2023. The aim of the celebration was to inculcate interest and respect among the students for all dance forms, be it Classical or Western.

Result

Poetry Recitation Competition

Class-I & II

Theme-Mother Earth

Date-24/4/23 & 25/4/23

"Every day is Earth Day, and I vote we start investing in a secure climate future right now"

Learning objectives – 1.To develop memorization skills
2. To develop self-expression among students.

Learning outcomes -The event was well planned and students enjoyed the poetries recitation as well as learnt the importance of Mother Earth.

Story Telling Competition

“The purpose of a storyteller is not to tell you how to think, but to give you questions to think upon”

DATE: 26/04/23

Storytelling is the oldest form of teaching. It bounded the early human communities, giving children the answers to the biggest questions of creations, life, and after life. Stories define us, shape us, control us, and make us.

Learning Outcomes: Motive of the competition was to raise enthusiasm among students. It helped in improving listening skills among students. It really engaged the boys who love the acting. Inspired purposeful thinking gave the motivating reason for English language learners to speak and write

Inter Section Reading Competition

Class I-III

Date:- 27th April'23

The importance of reading cannot be underestimated, as reading stretches the child's mind and introduces him/her to the World of Wonders that is Literature. The children realised that the stories offered many facets. That of suspense, entertainment and information and they were filled with a new curiosity. They read out their stories with clear articulation, correct accentuation and voice modulation. They did not confuse reading with acting.

Learning outcomes: • Vocabulary development.

- Apply word analysis skill using phonics and word patterns to recognize new and unfamiliar words.
- Comprehend unfamiliar words.
- Students were able to read with pauses and intonations of the given text.
- To inculcate the habit of reading.

The Winner are:-

Prize	Class 1	Class 2	Class 3
1st	Twisa, Anirudh , Naman	Avighna Harshil ,	Shreyan
2nd	Jas , Mayra , Anika	Anika	Nimansh
3rd	Madhav	Aarav	Shiv
Consolation	Hitakshi , Kanishk	Krishiv	Siya

Jaadui Pitara

*“Children are not things to be molded, but are people to be unfolded.”

Date- 5th April 2023

Class-1

★ कहानी बबबल जब स्कूल गया ★

★ Number Treasure game ★

जादूई पिटारा-मेरा परिवार (बच्चो ने अपने परिवार के सदस्यों के बारे में बताया)

Learning Objectives- To develop imaginative skills
To create a bond between teachers and students.

Learning Outcomes- The above activities helped them to enhance
observation, listening and imagination skills. Boost their confidence level.

CLASS 1A
STORY NARRATION

हिंदी किट गतिविधि

कक्षा - प्रथम

"शिक्षा जीवन की तैयारी नहीं है, शिक्षा ही जीवन है !"

बच्चों ने हिंदी किट द्वारा *2 व 3 अक्षर* के शब्दों का निर्माण किया ।

सीखने के परिणाम ❀ बच्चों की भाषाई शैली का निर्माण हुआ ।

❀ शब्द भंडार में वृद्धि हुई ।

❀ श्रवण व सामाजिक शैली का विकास हुआ ।

Activity -Family Craft

Class-I

"Family gives you the roots to stand tall and strong."

Date-19/4/23

Learning objectives - To learn the importance of family.
To enhance emotional skills among students.

Learning Outcomes - Students enjoyed the activity and also learnt the importance of family members and Action song learnt by students for their family.

It enhanced their creative and socio-emotional skills.

Activity - Scoop of Names(Naming Words)

Class -I

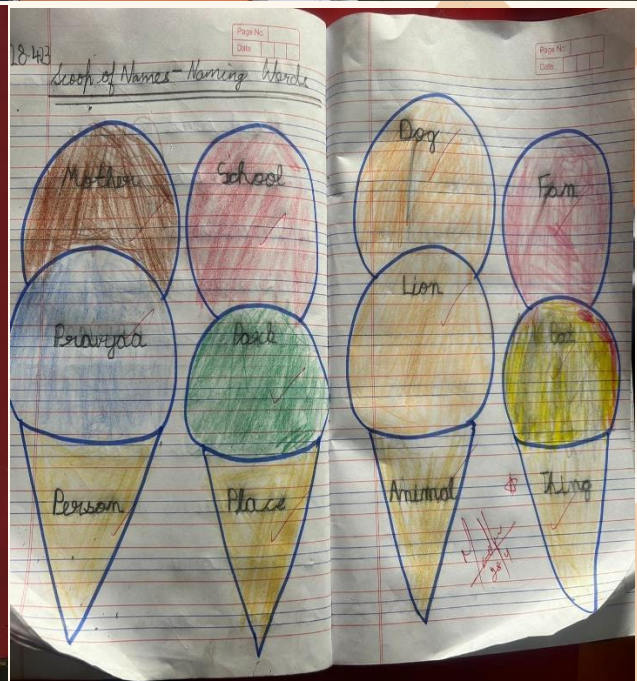

Date-28/4/23

"Never stop learning, if we stop learning. We stop growing"

Learning objectives- To become language smart.

To enhance their creative skills.

Learning outcomes- Students enjoyed the activity in a fun way. They learnt the concept of Nouns. They have become language smart and enhanced their vocabulary.

Activity- TOUCH AND FEEL (Shapes)

Class II

Date- 03/4/23

Learning Objectives- To develop sensory motor skills of students.
To recapitulate their previous knowledge.

Learning outcomes - Students enjoyed the activity throughout the session.
They identified the objects and named different shapes

Class II- D

PIC•COLLAGE

Class II - Math

Activity - Abacus and Bindi Activity

Date - 05/04/22

Learning Objectives: 1. To understand the number sense of H, T, O.
2. To know the place value of digits and learn how to represent them on an abacus scale.

Learning Outcome: 1. Students understood the representation of abacus using different digits from playing cards using Jadui Pitara.
2. Students learn about comparison of bigger and smaller numbers.

Activity -Increasing and Decreasing Order Activity

Class II - Math

Date -18 /04/22

Learning Objectives: 1.To understand the concept of increasing and decreasing order.

2. To use it in their daily routine, like to form a line height wise etc.

Learning Outcome: 1. Students understood the concept by doing activities by themselves. 2. Students learn about comparison of bigger and smaller numbers.

Activity - Even and Odd Activity

Class II - Math

Date -21 /04/22

Learning Objectives: 1.To understand the concept of Even and odd numbers.
2. To use it in their daily routine, like to arrange and distribute numbers in equal portion.

Learning Outcome: 1.Students understood the concept by doing activities by themselves.
2. Students learn about comparison and sorting of even and odd numbers.

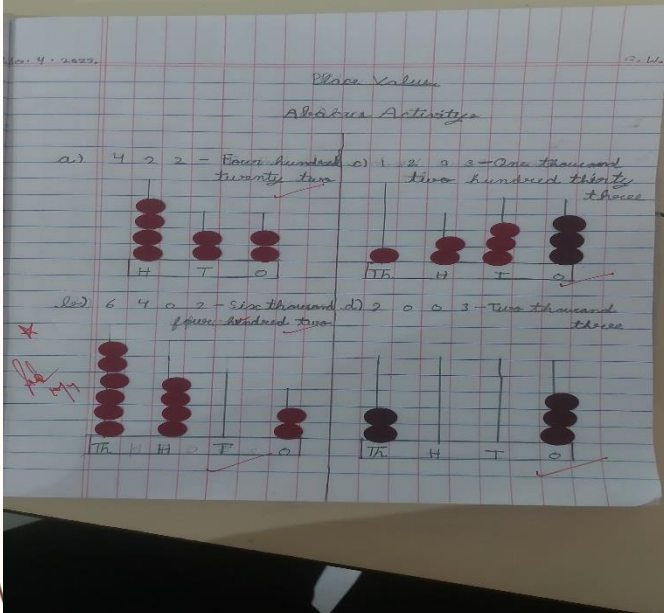

Activity- Abacus Making Activity

Class III

Date- 10/4/23

Learning Objectives: 1. To understand the number sense of Th, H, T, O.
2. To know the place value of digits and learn how to represent them on abacus scale.

Learning Outcome: 1. Students understood the representation of abacus using different digits.
2. Students learn about comparison of bigger and smaller numbers.

Activity- Visit to Sensorial Garden

Class III

Date- 6/4/23

Learning Objectives: 1.To interact with outside environment.
2. To enhance their ecological awareness with knowledge of sense organs.

Learning Outcome: 1.Students understood about sense organs.
2. An interactive visit which made students to use their kinesthetic skills and improve their memory.

Stamp Designing Activity

“Be like a postage stamp. Stick to one thing until you get there”

Class III

Date: 18.4.23

Learning Objective: Students will learn about postal stamps and their use.

Learning Outcome- Students learnt the history of how stamps appeared in postal operations and the evolution of stamps.

Best Out Of Waste Activity

DATE: 27.04.23

THEME: EARTH DAY

“Our continuing efforts in everyday lives will make our beautiful planet thrive.”

LEARNING OBJECTIVE: To develop the ability to think and organize the thinking to create something useful. To indulge the students into an extracurricular activity with an exclusive tool i.e. waste material.

To explore the environmental concepts and actions.

LEARNING OUTCOMES: Students understood the importance of preserving the environment. The activity helped students understand the value of the need to reduce, reuse and recycle. The activity helped to enhance the creativity and presentation skills of the students.

ENGLISH KINDS OF SENTENCES ACTIVITY

DATE: 12.4.23

The four different kinds of sentences in English — declarative, interrogative, imperative, and exclamatory — allow us to express ourselves clearly. Using a variety of sentences in your writing will add interest and help you get your ideas across effectively. An Activity was conducted in class IV on the topic kinds of sentences with suitable punctuation marks.

RESEARCH ON FAMOUS PERSONALITIES WITH DISABILITY

DATE: 12.4.23

It's not disabilities, it's abilities that count.

The students of Class V read the L- Chuskit Goes to School and were able to understand and experience that disabilities are not the end to an individual's life. The students researched about numerous persons who have conquered the world and flourished in their respective fields, setting an example for every individual.

REFLECTION OF LIGHT

DATE: 13.4.23

The students of Class IV read the L- The House with the Golden Windows and were able to understand and experience that due to the reflection of sunlight, the window was glowing like gold. Light is a form of energy that you can see and mirrors are able to reflect this light. The children understood how light and mirrors work together by playing this targeting game.

HINDI

कक्षा 4(सबसे मीठी सबसे कड़वी) और 5(बालक चन्द्रगुप्त) के छात्रों द्वारा पाठ 2 पर आधारित नाट्य रूपांतरण प्रस्तुत किया गया, छात्रों से स्वयं अपने नाटक हेतु पत्रों के अनुसार टोली बना कर नाट्य रूपांतरण प्रस्तुत किया साथ ही अपने चुने हुए पात्र के अनुसार वेषभूषा अनुसार धारण की। अंत में संबंधित पाठ के प्रश्न उत्तर भी पूछे गए, जिन्हें व्याकरण से भी जोड़ा गया।

कर के सीखने के प्रतिफल-

- 1- रचनात्मकता एवं क्रियात्मकता में वृद्धि।
- 2- शब्दकोश में वृद्धि
- 3- आत्मविश्वास में वृद्धि
- 4- अपने कार्य को पूर्ण करने में आई समस्याओं का निवारण करना सीख रहे हैं।
- 5- निश्चित समयांतराल में श्रेष्ठ प्रदर्शन करने के कारगर प्रयत्न।

MATH

Class IV and V

TOPIC: INDIAN AND INTERNATIONAL SYSTEM OF NUMERATIONS

Recapitulation of topic Indian and International system of numeration was done with the help of an activity, in which the students have to mark the metropolitan cities on the map and further placing it in ascending/descending order. Also in place value table as directed.

LEARNING OUTCOMES

- ◆ Knowing the places of different digits in a number.
- ◆ Comparison of different numbers.
- ◆ Able to read and write big numbers (In words).

The collage displays student work on the topic of Indian and International systems of numeration. It includes:

- Map of India:** A map of India with major metropolitan cities marked. A legend identifies Delhi, Maharashtra, Karnataka, West Bengal, and Tamil Nadu.
- Place Value Table (Mumbai):** A table showing the population of Mumbai in both Indian and International systems.

Million	Thousands	ones	Number Name					
Tm	M	HTn	Th	Th	H	T	O	
2	0	9	6	1	0	0	0	Twenty million nine hundred sixty one thousands
- Handwritten Notes:** Notes explaining the difference between the Indian system (lakh, crore) and the International system (thousand, million, billion).
- Comparison Table:** A table comparing the population of four metropolitan cities in both systems.

STATE	POPULATION	
	Indian	International
Delhi	16,69,000	16,69,000
Maharashtra	19,31,000	19,31,000
Karnataka	13,13,000	13,13,000
West Bengal	5,13,000	5,13,000
Tamil Nadu	14,50,329	14,50,329
- Population of Delhi:** A table listing the population of Delhi in both systems.

City	State	Population
Delhi	Delhi	16,69,000
Mumbai	Maharashtra	19,31,000
Bangalore	Karnataka	5,13,000
Kolkata	West Bengal	4,13,329
Chennai	Tamil Nadu	14,50,329

ACTIVITY ON ROMAN NUMERALS

Roman numerals are a numerical system that originated in ancient Rome. Roman numerals were adapted from Etruscan numerals. The system of Roman numerals that was used in classical antiquity was somewhat modified in the Middle Ages in order to produce the system that is used today. This system is based on certain letters which are given numerical value.

Recapitulation of the concept of Roman Numbers was done with the help of an activity. In this the students represented their DATE OF BIRTH in roman numeral and further their partner have to GUESS THEIR AGE.

LEARNING OUTCOMES

- To be able to decode Roman numerals in Hindu-Arabic form.
- To be able to know some of the most essential rules of the Roman numeral system.
- Inculcating aptitude ability by calculating Age in terms of Days, Months and years.

EVS

CLASSIFICATION OF DIFFERENT TYPES OF CROPS

Class -IV

*Objective

The main purpose of classifying Crops used in our day to day lives is to ensure that the plants are correctly named, grouped and identified by students.

***Learning Outcomes:** Students understood that a systematic method of grouping different plants is essential in identifying and cataloging the relevant information gathered about many different plants known. Thus, classification of crops is desirable, since it helps for better understanding.

**BAGLESS DAY &
CLUBS**

Bagless Day Activities

Class-I-III

Date-15.4.2023

Learning Outcomes- They were planned in order to develop critical thinking among students along with effective cognitive development.

Various activities were conducted in class 1. To understand the concept of place value Rajma beans activity, Basket of two, three and four letter words in Hindi, Baisakhi craft, Wall of words in English. They really enjoyed all the activities and understood the concept in a fun way.

AEROPLANET TRIP

CLASS I TO III

"Picnics are a way of sharing moments with family and friends, creating memories that will last a lifetime."

Picnics offer children a chance to learn outside of the classroom, explore nature, and engage in physical activities. Through these experiences, they develop important social skills, including communication, collaboration, and teamwork. They also learn to appreciate the environment and become more aware of their surroundings.

THANK
YOU
