“The content of a book holds the power of education and it is with this power that we can shape our future and change lives.”

# PRINCIPAL'S MESSAGE

***“Innovation is the ability to see change as an opportunity – not a threat”***

*The Internet has become a useful resource for everyone and offers many helpful opportunities. With the introduction of new technologies, devices including smartphones, tablets and innovative applications on such devices, the usage of the internet has increased dramatically. However with increasing penetration and use of the internet, Cyber-crime is emerging as a major challenge. We need to understand the various concerns and challenges related to Cyber Crime and how to protect oneself from becoming a victim. Prevention is always better than cure.*

*We congratulate our students who have brought laurels to the school by winning CBSE National Level Science Exhibition 2022-23 and excelling in the Innovation in Science Pursuit for Inspired Research (INSPIRE) program. We are also delighted to share that our students bagged top 25 positions out of the 9000 applicants from Delhi - NCR in Science Open Merit Test (SOMT) 2022 conducted by Delhi State Science Teachers' Forum (DSSTF).*

*The phenomenal academic achievements of our students have always added glory to the school. I take this opportunity to acknowledge the extreme hard work of our students, dedicated team of teachers, and parents for the zenith of success. I especially want the students to have courage to think differently, courage to invent, to travel the unexplored path, courage to discover the impossible and to conquer the problems and succeed.*

***“Let noble thoughts come to us from every side”***

## **NKBGS CREATES HISTORY- Wins CBSE National Level Science Exhibition 2022-23**

The students of our school have made Delhi Region proud by winning at the **CBSE National Level Science Exhibition 2022-23** held at **Lotus Valley International School Gurugram**.

**Deepansh Gahlot of grade VIII** and **Kartikeya of Grade VIII** under the able guidance of their Mentor Ms. Shilpa Batra have prepared an economically low-cost Mathematical Game.

NKBGS displayed its model on **"MathBooth "** and **"VayuSmart "** in the category of Mathematics for Us & Environmental Concern respectively. Around 200 schools participated at the regional level held in Delhi on Dec 20, 2022 to Dec 22, 2023. NKBGS won the regionals in both the categories and bagged the honour to represent at the National Level in the CBSE Science Exhibition.

The students were awarded a cash prize along with Merit Certificates. They will now participate at Rashtriya Bal Vaigyaanik Pradarshani for children to be organized by NCERT. The students will also get the opportunity to attend a mentoring camp & national fair organized by Initiative for Research and Innovation in Science (IRIS).

**PROUD MOMENT FOR N.K.BAGRODIA GLOBAL SCHOOL...**

**VIDYA AMRIT MAHOTSAV**

Euler's formula using design thinking was taken up in class 8 by **Ms. Komal** that provided an opportunity to our students to experience what its like to build together along with enhancing their spatial thinking.

Students created models of 3-D shapes using spaghetti sticks and marshmallows for verification of Euler's formula.

The above mentioned innovative technique have been appreciated at State Level and the same has been selected for **National Level**.

On behalf of NKBGS family we congratulate **Ms. Komal (TGT-Mathematics)** for this great achievement.

To improve learners' language acquisition, Subject Verb Agreement was done in Class VII by **Ms Sukeshi Gupta** using a Grammar Game which allowed the students to forget that they are drilling grammar and concentrate on having fun.

Students played Sentence Challenge Activity wherein they rolled the dice and moved the counter on the board. Players used the subjects and verbs to make grammatically correct sentences.

The above mentioned technique was appreciated at State Level under Vidya Amrit Mahotsav.

## **INSPIRE Award: District Level**

The INSPIRE scheme (Innovation in Science pursuit for inspired research) is one of the programs executed by DST with the National Innovation Foundation. The aim of the scheme is to motivate innovative thinking among school children.

The journey of this amazing idea was started in September 2022 to mobilize INSPIRE Awards - MANAK 2022-23 nominations. Under this scheme, Vasu Gupta of class IX A had proposed a marvelous idea for helping Autistic students under the guidance of Ms. Shilpa Batra. It is a matter of pride that the idea has been selected for district level exhibition and the student has been awarded by prize money of rupees 10,000 for the further execution of the project.

## **Science Open Merit Test (SOMT) Achievements**

Our school feels proud to share that 3 of its students bagged top 25 positions out of the 9000 applicants from Delhi - NCR in Science Open Merit Test (SOMT) 2022 conducted by Delhi State Science Teachers' Forum (DSSTF).

of success. Students of Class 11th batch presented a group dance and singing performances which entertained the audience to the fullest. Group performance and a parting and emotional speech were given by some senior students. The students were adorned with titles and a token of love. Our Principal motivated the students to imbibe the values inherited in school.

The students, teachers and the school management bid their beloved students a warm goodbye and wished them good luck for their future and expressed their joy at having spent a wonderful time with all. It was a great day, filled with nostalgia and fun and excitement!

## **Celebration of International Year Of Millets- 2023**

***“Food is not rational. Food is culture, habit, craving and identity.”***

Millet ranks as the sixth most important cereal grain in the world today, sustaining more than one-third of the world's population. To create awareness about the goodness of millet, our school celebrated the Millet festival (under Pradhan Mantri Poshan Shakti Nirman: DOE) with great avidity and zeal.

It was an initiative to bring back millet food in our daily food practice and serve a rich blend of both modern and ancient practices to provide healthy living. The event was adorned by trustee member-Dinesh Kumar Gupta ji, our Special Guest Manju Gupta Ma'am, Director and Manager Dr. Rajee N Kumar, Academic Coordinator Ms. Satinder Kaur, HOS NKBPS Sec-4 Anjali Kharbanda. Our Principal Ms. Jaishree Nawani Ma'am extended floral and formal welcome to the dignitaries. The day started off with the lovely rendition by the choir group to pay salutations to the lord Almighty, followed by the cultural performances.

## *The Global Bagrodians...*

The festival included the exhibition of Millet crops, products of millets such as flour, vermicelli, semolina, ready to eat snacks and diet counseling. More than 20 types of millet based food were presented and displayed at the food festival. The zealous parents gathered in large numbers to aid the task.

Many schools in the nearby vicinity became a part of the festivity. The students displayed their creativity through innovative ideas. Everyone relished the flavorful learning experience. The event was coordinated by Ms. Ruma Bisht, Ms. Diksha and Ms. Navpreet.

## **Orientation Programme: Class IX**

***"A new beginning is not just a chance to start over, but also an opportunity to create something better than before."***

Our school organized an orientation programme on Friday, 31st March 2023 for Class IX. The parents were acquainted with the school's ethos, curriculum, code and conduct, mentors and most significantly with the updated CBSE assessment policy and registration details.

The session ended with the class teachers thanking the parents for participating enthusiastically in the programme and understanding the ethos of the school.

## **International Forestry Day Celebration**

Forests are our lifeline and we should conserve trees and forests. With this initiative, our students celebrated International Forest Day on March 21, 2023 at Garhi Mandu Yamuna Floodplains.

It was a great experience for our school to take part in such an initiative with Honorable LG Vinai Saxena Ji and MP Manoj Tiwari Ji. The plantation drive to reclaim the water table and clear Yamuna river water is really appreciable. We visited the beautiful Eco Forest area, which was once a landfill once.

Overall, the workshop was really enriching with involvement of participants in various activities. They learnt while playing games in a fun learning way.

# Cyber Jagrukta Diwas: Stay Safe Online Campaign

**"The Internet is becoming the town square for the global village of tomorrow." - Bill Gates**

India has taken over the Presidency of the G20 for one year from 01 December 2022 to 30 November 2023. The G20, or Group of Twenty, is an intergovernmental forum of the world's major developed and developing economies.

During India's presidency of G20, the Ministry of Electronics and Information Technology (MeitY) ran a campaign titled 'Stay Safe Online' aimed at creating awareness among citizens including specially-abled persons to stay safe in an online world on the widespread use of social media platforms and rapid adoption of digital payments.

Syncing with the same citizens of all age groups, covering rural and urban areas, with special emphasis on children, students, and women, our school participated in the Stay Safe Online campaign. It was part of Cyber Jagrukta Diwas celebrations for our young Bagrodians. The event was coordinated by Ms. Ruma Bisht and Mr. Himanshu.
